

Read the New Testament in 90 Days

by Zonya Gingrich

This reading plan is divided into 3 months, with roughly the same amount of reading, page-wise, per month. Then each month is divided into 29 assigned reading sections, with 1 catch-up day per month. I have tried to divide the readings by amount of pages rather than by number of chapters, to avoid having some days with very long readings and others with much shorter readings.

I have included a check off box for each chapter, because there will be some days you don't get the full reading done. If you get behind, never mind. Just increase by a chapter a day, and you'll soon get caught up.

If you prefer to read the Gospels interspersed with Epistles, see the Alternate Plan on the next page.
